Classroom Buzz

Grade 1 Highlights

Science/Art:

Students learned about primary colours by mixing paint and by conducting experiments with food colouring.

Math:

Students are learning about patterns by solving problems and using manipulatives like play-doh.

Grade 2 Highlights

Science:

Students did fun hands-on experiments such as testing different items to see if they were magnetic and building their own magnetic structures with toys.

Math:

Students are using numbers to skip count, among other things!

Social Studies

Students learned about using compasses and drawing/reading maps.

Language Arts:

We do daily sentence writing and spelling practice. In the picture you see students having fun playing the hang-man word guessing game

Grade 3 Highlights

Math :

In math we have been learning how to represent numbers to a thousand. We have also been learning how to answer word problems.

Social Studies:

We have been examining various factors that contribute to quality of life. We are looking at the quality of life of people in different parts of the world.

Language Arts:

We are learning how to write a hamburger paragraph that has a topic sentence, supporting details and a concluding sentence.
